Staff will present 3rd quarter progress update of American Job Centers (CareerPoint Centers). Additionally, staff will update committee on any Corrective Actions taken by AJCC's to address areas of concern.

Requested Action: Accept reports of progress and provide staff with direction.

CareerPoint Center Progress reports show Adult, Dislocated Worker, and Youth programs progress at 75% of the year. Executive Director Wilson pointed out that youth programs in each region struggle. Lake Youth program had a late start, not on July 1, 2018, so the numbers are lower than at other counties. CP Marin struggle with DW program and that is why there is point III.H on the agenda. Mendocino is doing great on DW program, but they don't have enough Adults. Napa was put on a Corrective Action Plan, after second quarter they didn't have enough DW. They also are requesting to shift money from DW to Adult program. Executive Director Wilson suggested that Policy and Oversight Subcommittee take a deeper look at the stats and talk with providers to explain why they are where they are.

Describe how your participation on the WDB would advance Workforce Development programs.		
<p>The City of Clearlake is the largest of only two cities in Lake County with three times the population of Lakeport. Clearlake is strategically important for several reasons. Clearlake's population equals nearly 25% of the County as a whole. The City is the location of one of two county hospitals, which is the City's largest employer, as well as Woodland Community College. While all of Lake County has historically struggled economically, Clearlake is still well below county-wide averages for household income, and above averages for poverty level, unemployment rate, and labor force participation. Improving the opportunities for employment and preparing the labor force for available jobs is critical to the City, and by extension the overall County.</p> <p>With half of Lake County's existing retail jobs, we believe significant opportunity exists for expansion in this sector, and workforce preparation is desperately needed. We believe the WDB is a key partner in ensuring we are prepared for our future and I would like to see an increased collaboration and program development between the WDB and all Lake County partners.</p>

ATTACHMENT III.F

NOTICE OF INTENTION TO AMEND THE CONFLICT OF INTEREST CODE OF THE WORKFORCE ALLIANCE OF THE NORTH BAY

NOTICE IS HEREBY GIVEN that the Workforce Alliance of the North Bay, pursuant to the authority vested in it by section 87306 of the Government Code, proposes amendment to its conflict of interest code. A comment period has been established commencing on July 11, 2019 and closing on August 24, 2019. All inquiries should be directed to the contact listed below.

The Workforce Alliance of the North Bay proposes to amend its conflict of interest code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code. The amendment carries out the purposes of the law and no other alternative would do so and be less burdensome to affected persons.

Changes to the conflict of interest code include:

1. Removing Local Advisory Subcommittee members – Not all Local Advisory Subcommittee members are formally appointed members of the Workforce Development Board. Those that serve on both the Workforce Development Board and the local advisory subcommittee are already considered designated positions, given their role on the WDB. Additionally, the Local Advisory Subcommittee does not have the power to make decisions. They simply consider and provide advice on workforce issues within their assigned geographic area;
2. Consolidating the Executive Director and Local Area Administrator positions. This position is filled by the same individual;
3. One Stop Operator changed to Career Service Provider – It is the Career Service Provider position that has the authority to spend and decide on the expenditure of WIOA funding;
4. Adding Mendocino Career Service Provider – The Workforce Alliance has added Mendocino County to its Joint Powers Agency;

and also makes other technical changes.

Information on the code amendment is attached to this email.

Any interested person may submit written comments relating to the proposed amendment by submitting them no later than August 24, 2019, or at the conclusion of the public hearing, if requested, whichever comes later. At this time, no public hearing is scheduled. A person may request a hearing no later than August 9, 2019.

The Workforce Alliance of the North Bay has determined that the proposed amendments:

1. Impose no mandate on local agencies or school districts.
2. Impose no costs or savings on any state agency.
3. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
4. Will not result in any nondiscretionary costs or savings to local agencies.

5. Will not result in any costs or savings in federal funding to the state.
6. Will not have any potential cost impact on private persons, businesses or small businesses.

All inquiries concerning this proposed amendment and any communication required by this notice should be directed to:

**CONFLICT OF INTEREST CODE FOR THE
WORKFORCE ALLIANCE OF THE NORTH BAY BOARD**

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission had adopted a regulation (2 Cal. Code of Regs. Sec. 18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the Workforce Alliance of the North Bay (WANB).

Individuals holding designated positions shall file their statements of economic interest with the WANB, which will make the statements available for public inspection and reproduction. (Gov. Code Section 81008.) Upon receipt of the statements, WANB shall make and retain a copy and forward all originals to the Fair Political Practices. All statements will be retained by the WANB.
